About the picture on the front cover of this catalog . . .

The bull pictured is S & G Admiration x2697-932. He was the grand champion Polled Shorthorn bull at the 1952 International Live Stock Exposition. He is owned by South & Gallaher, Franklin, Ohio, one of the consignors to the Oakwood Customers' Sale. Why did we pick him for the cover of this catalog? Because he is a typical example of the success that has come to those who have drawn upon the Oakwood Blood Bank for their seed. South & Gallaher bought his dam, Oakwood Leading Missie x, in the 1950 Oakwood Sale with a breeding privilege to Oakwood Conqueror x. From such a mating came a great show bull and an equally great breeding bull. He represents four generations of Oakwood breeding. The first seven bulls in his pedigree are Oakwood Conqueror x, Oakwood Leader x, Imp. Gosshall Ximenes, Oakwood Crown Command x, Coronet Command x, Oakwood Emperor x and Oakwood Royal King x, all of whom distinguished themselves in the Oakwood Herd through the winning of grand championships and the siring of grand champions. From such ancestry come the ninety-six animals whose pedigrees appear in this catalog. S & G Admiration x is a symbol of the security of the Oakwood Blood Bank. To draw upon such a bank is a privilege . . . and a secure investment.

Round Grove Butterfly x2751-824—Sired by the Congress champion, Royfield's Leader x, high scoring Gold Medal bull in 1953, this heifer is smooth, thick, and an Indiana sale reserve champion, and the \$2,000 top female at the '52 International, which price was duplicated by another half sister selling in the 1954 L & L sale. The dam, by Collynie Compact x, is out of the same cow as Cherry Hill Butterfly x, 1945 Congress first prize winner. Judge this heifer on her merits, but note that she is bred to Birmingham Randolph 2nd x345156. Pre-tested clean and vaccinated.

Here are the people who represent Oakwood Stock Farms . . . Paul, Clara, Carol and Paul, Jr. They are looking admiringly at the cow Oakwood Myrtle 4th x and her heifer calf by Oakwood Mainstay x, the 1950 International reserve champion. Both the cow and the sire of the calf are by Commander in Chief x. Oakwood Myrtle x was the senior and reserve grand champion female at the 1952 International.

We Invite You . . .

We extend a hearty invitation to all lovers of Polled Shorthorns and horned Shorthorns to attend our Oakwood Blood Bank Sales. It will be the Fifteenth Annual Oakwood Sale. It will be the First Customers' Sale and we trust this, too, will become an annual event.

We are most appreciative of the excellent patronage we have enjoyed down through the years for Oakwood Polled Shorthorns. We maintain an interest in every herd into which an Oakwood animal goes. We watch with enthusiasm their performance. For several years we have had a desire to show our appreciation to our patrons. Out of that desire has come the Customers' Sale. It is to be a distinctive part of the Blood Bank event. We want to make each consignor to this event a real partner with Oakwood.

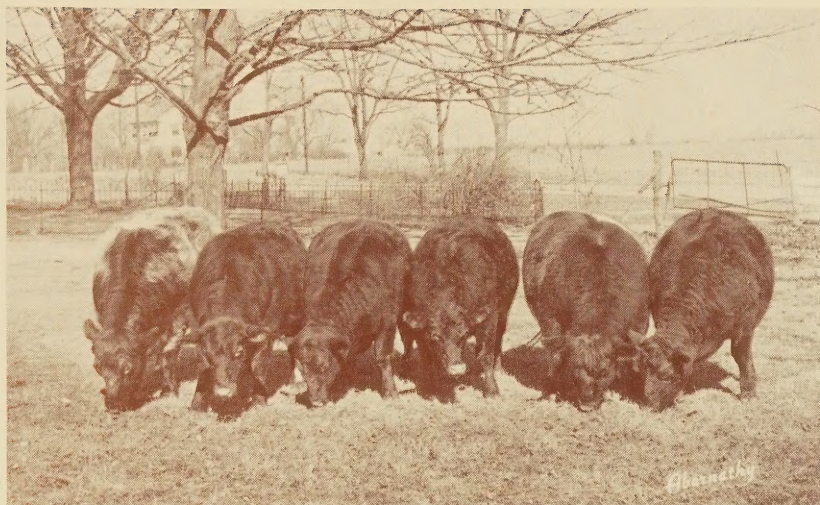

We want everyone to study the cattle presented by our customers. We want you to see what they have done with Oakwood bloodlines and to view the descendants of Oakwood purchases. We have seen most of the cattle being offered in the Customers' Sale. We are thrilled with them for they are the improving kind. We are proud to submit them as a part of the Oakwood sales program.

We realize that a top notch offering of Customers' cattle presents a challenge to present a "better than ever before" offering from Oakwood. That we have done and we are including a liberal percentage of animals we had planned to retain.

Come Sunday and spend the day with us. Allow yourself time to inspect and study both sale offerings. We want to get acquainted with you and we want you to get acquainted with Oakwood Polled Shorthorns.

ASHVILLE, OHIO

HAL LONGLEY, Sale Manager

16 S. Locust St., Aurora, Illinois

You'll find quality, character and style in the females offered in this sale. Here are four granddaughters of Commander-in-Chief x. From left to right they are: Imperial Augusta (Lot 35), Imperial Lavender (Lot 33), TE Rosemary Ann (Lot 36), and Imperial Bessie (Lot 32).

Terms and Conditions

GUARANTEE—All cattle in the Oakwood Stock Farm sale will be sold under the standard guarantee endorsed by the American Shorthorn Breeders' Association. In addition, C. B. Teegardin & Sons will guarantee all animals in this sale to be breeders, regardless of age. A condition of our guarantee is that notices of failure to breed must reach us within 6 months in the case of animals over 14 months of age at the time of purchase, and within 9 months in the case of animals under 14 months old at the time of purchase. Certificates of registry and transfer will be furnished with each lot sold. Shipment will be made as soon as possible after the close of the sale without trouble to the purchasers, but cattle will be at buyers' risk as soon as bid off. Every precaution will be taken to see that animals arrive in sound and healthy condition.

ANNOUNCEMENTS—All announcements made from the auction block on sale day and the information printed on the breeding sheet which will be provided on sale day will be considered final and will take precedence over matter printed in this catalog.

TERMS—The terms of this sale are cash unless arrangements are made in advance with the owners. All settlements must be made with the clerk of the sale immediately at the conclusion of the auction and before the animals are removed.

HEALTH—The Oakwood Herd is Federally Accredited for Tuberculosis. We practice calftubercle vaccination for Bangs Disease. All females have either been vaccinated or have passed a clean Bangs test within 30 days of the sale. A 60 day Tuberculin retest will be allowed and all cattle are guaranteed to comply with the health regulations of any state into which they may go. Health certificates will be provided with each lot sold.

LIABILITY—The above guarantee and terms shall constitute a contract between C. B. Teegardin & Sons and the buyer of each lot. Neither the clerk of the sale, nor the individual designated as Sale Manager assumes any liability, legal or otherwise. Where footnotes appear in this catalog they were furnished by the owner. We will make every effort to provide for the comfort and safety of sale day guests but we assume no liability for accidents of any nature.

INQUIRIES ABOUT CATTLE LISTED—The sale manager will gladly answer, to the best of his ability, any question which may arise in the minds of prospective buyers concerning the breeding and quality of any animals listed in the catalog. Such correspondence should be addressed to Hal Longley, Sale Manager, 16 S. Locust St., Aurora, Ill.

Oakwood Consideration x by Commander-in-Chief x, 1954 reserve champion Polled Shorthorn Congress bull for C. B. Teegardin & Sons. He topped the Congress sale at \$1,550, going to Earle Moody, Dothan, Alabama.

General Information

Covering both auctions . . . the Oakwood Fountainhead Sale and the Oakwood Customers' Sale.

TIME—Both auction sales will be held at Oakwood Stock Farm, owned by C. B. Teegardin & Sons, Ashville, Ohio, on Monday, May 24, 1954.

The Fifteenth Annual Oakwood Sale will start promptly at 12:00 o'clock noon Eastern Standard Time. The Oakwood Customers' Sale will follow at 4:00 p.m., Eastern Standard Time, immediately after the close of the Oakwood Sale.

Lunch will be served at the farm on sale day by the ladies of the church. To add to the pleasure of those who arrive on Sunday for a preview of the sale cattle, the Teegardins have arranged for a barbecue dinner to be served late Sunday afternoon. All who come to attend the Oakwood Blood Bank Sales are invited. This will be a fine chance to get acquainted.

LOCATION—Oakwood Farm is located 16 miles from the city of Columbus, Ohio. To reach the farm from Columbus, take U.S. Highway 23 south, ten miles to Oakwood Stock Farm sign at cross road. Turn left and go through Duvall, Ohio, six miles east to Madison Township School. Turn right to farm—one half mile.

HEADQUARTERS—Headquarters for our sale will be at the Neil House in Columbus, Ohio. Our farm is located 16 miles South of this city. If you come to the sale by car, please invite your neighbor breeders to ride with you. If you come by train or bus, simply go to the Neil House in Columbus and we will provide transportation to the farm if NOTIFIED.

"Royalty" of the 1954 Polled Congress bull show. At the left is Clodfelter's champion, Glatwyn Favorite x and at the right Teegardin's reserve champion, Oakwood Consideration x. Posed with the winners are, left to right, Allan Atlason, secretary of the American Shorthorn Breeders' Association; W. H. Gregory, judge; Gerald Clodfelter; W. H. Dilatush, 1953 president of the American Polled Shorthorn Society; Lyons Brown, popular president of the American Shorthorn Breeders' Association, and Paul Teegardin.

We ask all who travel by train to advise us in advance so that we can meet them in Columbus.

We suggest that you arrive the day ahead of the sale so that you will have an opportunity to inspect the Oakwood herd of breeding cows as well as the herd bulls.

The auctioneers will be Paul Good, C. D. Swaffar and H. W. Walker.

MAIL ORDERS—Those unable to be present who desire to do so may send buying orders to any of the following reliable men, all of whom will be in attendance:

Hal Longley, *The Shorthorn World*, Aurora, Ill.

Don Longley, *The Shorthorn World*, Aurora, Ill.

Ned Place, *The Shorthorn World*, Wapakoneta, Ohio.

Allan C. Atlason, *Secretary, American Shorthorn Breeders' Association*, Union Stockyards, Chicago, Ill.

Dale Baird, *The Drovers Journal*, Chicago, Ill.

It's Consistency of

Performance that counts . . .

and that's where Oakwood Excels

The foregoing records prove many things. They prove that the Oakwood type is the RIGHT type. The large number of top awards in the group classes prove that Oakwood Polled Shorthorns are UNIFORMLY GOOD. Most important of all, they prove that Oakwood herd bulls are at the very top of the list of the breed's all-time greatest sires. Study the pictures. The cattle displayed are of the same type and quality as the 53 animals to be sold in the 1954 Oakwood Auction Sale.

Four years in a row the calves by *Commander-in-Chief x* have been exhibited in the get-of-sire class at the great International Live Stock Exposition. The record . . . *three times first prize winners and one time second . . .* in the most important class of any show. In 1953 they added further laurels by winning first prizes in the classes for pair of yearlings, pair of calves and pair of females as well as the senior and reserve grand female championships, the reserve senior female championship and the reserve junior bull championship. Yes . . . *Commander-in-Chief x* has a right to the name "Sire Supreme" . . . by virtue of consistency of performance.

Why Not Let Oakwood Blood Work for You?

Not just one year . . EVERY year!

We are very proud of the seven first prizes, six second prizes and four championships won by Oakwood entries at the 1953 International. However, since curs is a working herd and Oakwood Polled Shorthorns are produced to be sold, we think prospective buyers are interested in more than the picture of any one year. Go back over the records of the International and other leading shows for THIRTY YEARS and you will find that Oakwood bloodlines are responsible for the top winners EVERY YEAR. That's why folks on several continents agree that Oakwood Polled Shorthorns are "best by any test."

(Above) First prize junior get-of-sire at the 1952 International, sons and daughters of Oakwood Conqueror x. In 1950, 1951 and 1953, Oakwood won first prize in the get-of-sire class at the International on the sons and daughters of Commander-in-Chief x. You'll find calves by ALL of the Oakwood sires at the very top EVERY year.

(Left) Oakwood Myrtle 4th x and Oakwood Gladness x. They won first prize for pair of females at the 1952 International. They won the same prize when shown as yearlings in 1951 and as calves in 1950. Three times in a row! It's a new record for any breed.

First prize group of three bulls, 1952 International. Two of them also won first prize in class for pair of bulls.

This quartet by Oakwood Leader x won first prize in the get-of-sire class at the Ohio and West Virginia state fairs and second at the International in 1950.

(Left) First prize two bulls, 1951 International, Illinois and Indiana State Fairs.

(Right) First prize pair of yearlings 1951 International, Illinois and Ohio State Fairs.

1950 - FIRST PRIZE TEN HEAD INTERNATIONAL LIVE STOCK SHOW

The first prize ten head group at the 1950 International, exhibited by Oakwood Stock Farm. Members of this group won eleven first prizes and two championships. Five animals in this group are by Oakwood Leader x and five by Commander-in-Chief x.

★ ★ DESIGNED TO MEET YOUR MOST EXACTING 1951 - FIRST PRIZE TEN HEAD INTERNATIONAL LIVE STOCK SHOW

The first prize ten head group at the 1951 International, exhibited by Oakwood Stock Farm. Members of this group won eight first prizes and two championships. Six animals in this group are by Commander-in-Chief x and five by Oakwood Leader x.

★ ★ OAKWOOD POLLED SHORTHORN SALE ★ ★

To our knowledge, no two herd bulls, half brothers, have sired as many winners at one International Show as these two did in 1950 . . . that's TEAM WORK. The blood of these two famous sires will be featured in our 1954 Oakwood Fountainhead Sale.

REQUIREMENTS AND BRED TO CARRY ON ★ ★

To our knowledge, no two herd bulls, half brothers, have sired as many winners at two consecutive International Shows as did these two in 1950 and 1951. Yes, that's TEAM WORK.

MONDAY, MAY 24, 1954 ★ ★ ASHVILLE, OHIO ★ ★

A beautiful pair that sold in last year's auction. Greentree Maid x went to Foxdale Farm, Duluth, Georgia, and Greentree Maid 2nd x went to Home Again Farm, Farmington, North Carolina.

Buyers from three states and Canada bought these heifers in the sale a year ago. Two of them sold to Dr. and Mrs. J. B. Stoll of Missouri, two went to Creekland Farms in South Carolina, one to Hi Ho Farm in Maryland and one to F. F. Johnson in Alberta.

These went to four different states in the sale a year ago. The buyers were Roy Hopper of New York, Dr. and Mrs. J. B. Stoll of Missouri, Winwood Farm of Alabama, and Home Again Farm of South Carolina.

Did You Know That . . .

a total of 634 head of outstanding Polled Shorthorns have been sold in the fourteen Oakwood Auctions for a total of \$536,890 and a general average of \$847.00?

Were they appreciated? We believe the answer to this question is obvious. A total of 203 different breeders have bought them and most of these men have been repeat buyers.

Is the interest in Oakwood productions widespread? Study the list on pages 56 and 57! The cattle in fourteen Oakwood auctions have been scattered to 27 states, two Canadian provinces and two foreign countries. Add to these the scores of breeders who have bought at private treaty and you will agree that Oakwood productions are at work wherever good Polled Shorthorns are known and appreciated. In the fourteen Oakwood auctions 114 bulls have averaged \$1154 and 520 females have averaged \$779. Oakwood Polled Shorthorns are within the price range of every breeder who is eager to work SURE improvements.

The list on pages 56 and 57 will show the widespread distribution of the cattle that have been sold through fourteen previous Oakwood auctions. We believe the list to be complete, although errors are possible. If any name has been omitted, it is purely an oversight. We are proud of this list and equally proud of scores of others who have bought privately but whose names were not available when this list was prepared. In studying this list we believe you will agree that the best judges of the breed have been Oakwood patrons. We call it . . . the "Oakwood Roll of Honor":

Seeing Is Believing!

Pedigrees tell us much that we must know if we are to avoid pitfalls in our approach toward perfection in the molding of animal form. But . . . they do not tell us all! The careful breeder studies his pedigree, then looks for proof and thus shapes his course toward the goal of success.

For many years I have been hoping that some leader in the industry would prove his position as a master breeder by assembling the productions of his customers, thus providing a demonstration that the blood breeds on. The Teegardins are doing it at Oakwood Stock Farm on May 24th and I congratulate them. It takes nerve to sponsor such an event but the owners of this long established herd have faith in their customers and in the seed stock they have distributed. The project will be watched with interest wherever Polled Shorthorns are known and the breeder who fails to attend and study this actual demonstration will be standing in the light of his own progress.

The two sales are to be held in one day. I have seen the 53 head that will make up the fifteenth annual Oakwood offering and they are excellent . . . and I have inspected enough of the entries in the Oakwood Customers' Sale to be convinced that the 100 head to be sold on May 24th will comprise the strongest collection of Polled Shorthorns to be offered this year . . . and one of the strongest in history.

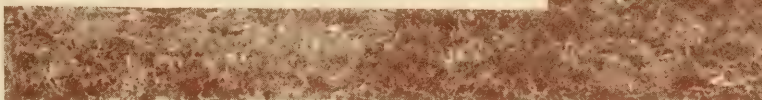

For more than a third of a century the owners of Oakwood Stock Farm have taken the champions of the greatest live stock shows as their pattern and have made use of the blood of these champions in moulding animals of superior type and quality. The 1954 Oakwood Blood Bank Sales are a wonderful testimonial to their efforts.

Yes . . . seeing is believing! The value of Oakwood blood will be demonstrated in a most convincing manner. Be there and see it with your own eyes. Then shape your own course by buying liberally.

Hal Longley
of The Shorthorn World.

F. F. Johnson of Alberta and Hi Ho Farm of Maryland bought these two in the sale a year ago at \$1,000 and \$2,000, respectively.

The Oakwood kind . . . full of quality and backed by blood that insures success. Above are shown six daughters of Commander-in-Chief x.

"Sire Supreme" is our title for Commander in Chief. The winnings in the strongest shows of 1950-51-52 and 53 by his calves, and these winnings are a matter of record, is evidence conclusive of his right to that title. Such a record bespeaks the potency of his blood. His son, Oakwood Predictor, the 1951 Int. Reserve Grand Champion bull, is a featured service sire in this event and the calves here at Oakwood bespeak his ability as a sire. See them. They please us and they promise well.

See Oakwood Myrtle 5th on Sale Day. She is evidence of the virtue of line breeding the blood of Commander in Chief. Her dam, Oakwood Myrtle 4th, the Senior and Reserve Grand Champion female at the 1952 International, is by Chief, and her sire, Oakwood Mainstay, is a son. The heifer exemplifies the potency of his blood.

Commander in Chief is an old bull. We do not know how much service is ahead of him. We are selling far more of his daughters than we can afford to spare. His sons and his grandsons, selling, are the kind you can own with PRIDE and PROFIT.

Take a look at the show records of the past four seasons! Compare the performance of his calves with those of any other Polled Shorthorn bull!

See the show herd we are fitting for the 1954 shows. Study the baby calves out of his last crop. Study the calves sired by his Int. Res. Gr. Champion son, Oakwood Predictor and his son Oakwood Determination. To us, it all adds up to the fact that the blood of Commander in Chief is potent blood, tested, and tried, and we are happy to SHARE IT WITH YOU on May 24th!

In 1950 Commander-in-Chief sired:

International—reserve champion bull, first prize junior bull, first prize senior heifer calf, first prize get-of-sire, first prize junior get-of-sire.
Ohio, West Virginia and Maryland State Fairs—first prize junior get-of-sire.

In 1951 Commander-in-Chief sired:

S-G ADMIRATION x was crowned the Junior and Grand Champion bull at the 1952 International, in what we considered the fastest company we have met in twenty-three invasions of that tank bark classic! He was the ninth bull we have shown to this honor and we feel that he is the "best one of all". He looks a sire—grand head, with the eye of a breeding bull. He stands on strong bone, a leg on each corner. He possesses depth and thickness of body, combined with a rear quarter that is wide and deep. He's every inch a "Breeder's Bull." Break down his pedigree. Edellyn Royal Leader 2nd and Oakwood Leader are his two grand sires. Look at the third bracket of his pedigree. The All American Favorite sire, Edellyn Royal Leader, the \$5700 Gosshall Ximenes on both sides, then Oakwood Crown Command, son of the 1941 International Grand Champion, Coronet Command. Oakwood Leading Missie was the first calf bred by Carol. We sold her in our Nov. 1950 sale with a breeding privilege to Oakwood Conqueror. We congratulate Chas. South and the late Frank Gallaher upon breeding such a worthy Champion and we take pardonable pride in having produced his dam and sire at Oakwood. We have confidence UNLIMITED in S-G Admiration as a sire. We are mating him to some of the best brood cows at Oakwood and a limited number of females will be offered carrying his service.

Oakwood Request x, as he looks today in heavy service at Oakwood Stock Farm. A truly great Polled Shorthorn bull.

Oakwood Request is the dark roan son of Oakwood Leader we are retaining for herd bull use. His full brother topped our 1949 sale at \$3,400 selling to King Bros., Capetown, South Africa. Oakwood Bequest, 1950 grand champion at the Illinois, West Virginia, Ohio and Maryland state fairs was also a full brother. Oakwood Conquest that topped our 1953 sale at \$7,000 to L & L Farms, Dothan, Alabama, was sired by Commander in Chief and out of the same cow.

No cow in our herd today has produced four such promising sons. To us it lends assurance that Request should sire the right stamp of calves.

He has scale and substance. He is deep bodied. He is thick. His tail setting and fullness of quarters are well nigh faultless. He has a smooth polled head—promises he should be a dehornor.

Following our 1953 sale we leased Request to L & L Farms, since we reserved the right to show Oakwood Conquest. He was used liberally by Jim Adams and his first calves have arrived in Alabama.

He is now back at Oakwood and here is where we expect him to stay for we have a definite place for him in our breeding program.

Oakwood Conquest x by Commander-in-Chief x. Now owned by L & L Farms, Dothan, Alabama. At \$7,000 he was the top selling Polled Shorthorn bull at auction during 1953.

Oakwood Bequest x, a full brother to Oakwood Request x, both by Oakwood Leader x. Grand champion at the 1950 Illinois, Ohio, West Virginia and Maryland State Fairs. We lost him at a young age.

Oakwood Bardolier x, another full brother to Oakwood Request x. He was purchased in the 1949 Oakwood sale by King Brothers, Capetown, South Africa, at \$3,400.

**We are going to

Benefactor
next time.**

Oakwood Request x, now in service at Oakwood. Picture taken as a calf at the 1952 International where he was a member of the first prize two-bull and and three-bull groups.

Oakwood Conqueror x

Oakwood Conqueror was Grand Champion bull at the 1949 Ohio State Fair, and he was the first prize Senior Yearling bull at the International. He stood third at the American Royal, the highest rating accorded any polled bull in that National Show. He is an own son of Edellyn Leader 2nd, he is also a grandson of the All American favorite, Edellyn Royal Leader.

Through his dam, he is a grandson of the \$5700 Gosshall Ximenes, son of the Perth Supreme Champion, Coldoch Union Jack. Calrossie Sweepstakes sired a son to be crowned Perth Supreme Champion. To us, he combines the "most of the best" in Shorthorn inheritance and wears it well with a polled head. His dam is the eleventh polled female in direct descent from the J. Dean Willis bred Nonpareil Chance, by Bapton Courtier. Glen Knolls Nonpareil was the top selling mature female in the Cherry Hill Dispersion and she produced the 1946 International Reserve Champion female.

Oakwood Conqueror sired S-G Admiration, the 1952 Junior and Grand Champion bull at the International. He also sired the first prize Junior Get of Sire at the same show, the only time we showed a Junior Get by Oakwood Conqueror. We are retaining his son, Oakwood Landmark as a junior herd sire.

We have mated a few heifers to Oakwood Conqueror. We trust that you will share our enthusiasm for his service.

Oakwood Predictor x, 1951 International Reserve Grand Champion Bull

Oakwood Predictor started his championship winning career at the 1951 Illinois State Fair where he won his first Grand Championship. He closed his 1951 campaign at the International, where he was Reserve Grand Champion bull. In 1952 this great son of Commander-in-Chief made his first showing at the West Virginia State Fair, where he was crowned Senior and Grand Champion bull. He closed his career at the Southeastern Show, Atlanta, Ga., as Senior and Grand Champion.

He was a championship winner twelve times in the two seasons! Withall, we consider him to be of true championship calibre. He is one of the thickest bulls that we have ever owned. He is NATURALLY thick from stem to stern. He has the head of a sire, the eye of a breeding bull. His shoulders are smooth and his quarters bulging. In breeding condition, he is the same kind of a bull.

Everyone who bought a heifer mated to Oakwood Predictor in our last sale, reports a top calf from his service.

We have a number of calves by Oakwood Predictor and we hope that you'll ask to see them on sale day. They will speak his praises beyond our ability to portray their promise.

His dam is a daughter of the 1941 Int. Gr. Champion, Coronet Command. His second dam is by the 1940 Int. Gr. Champion, Oakwood Commander. His third dam is granddaughter of Oakwood Rodney, 1929 Int. Gr. Champion.

We have mated a number of sale heifers to Oakwood Predictor, and you may expect these calves to be of the same calibre as those he has sired, to date.

THE \$10,500 TOP SELLING BULL OF THE BREED

Owned jointly by M. E. Beman & Sons and C. B. Teegardin & Sons

OAKWOOD DETERMINATION was marked for herd bull duty at Oakwood the day he was calved. He was sired by Commander in Chief and his dam, Gloster of Oakwood B, was a champion daughter of Gosshall Ximenes. That gave Determination the background we wanted in a breeding bull, for we insist on the bulls we use being from outstanding dams, as well as being sired by proven bulls. As a calf, he developed as we hoped he would and today he is the same stock bull kind. Even in his breeding condition he is a bull that looks every inch a sire. We are proud to own him in partnership with M. E. Beman & Sons.

**We Would Take Nothing
from his Inheritance, and
we would add nothing to
insure his prepotency as
a sire**

Oakwood Landmark has been a service sire to a few heifers. We have always "believed" in this bull.

He is very much the SAME PATTERN as his paternal brother the 1952 International grand champion S-G Admiration. His dam is a daughter of the 100% dehorning, thick, lowset, solid red Oakwood Crown Command. His granddam was grand champion female at the 1938 International and she was one of the best females, as a brood cow, to be produced at Oakwood. There is nothing in his inheritance we would change if we could. He has it the way we would want it. This All American Favorite, Edellyn Royal Leader, Gosshall Ximenes, \$5,700 son of the Perth supreme champion Coldoch Union Jack, plus the two International grand champion bulls, Coronet Command x, and Oakwood Royal King x, the Peer of Sires.

We are showing you two recent unretouched photos of Oakwood Landmark x—natural poses—just like you'll see him sale day. Study him . . . his depth of body . . . his shortness of leg . . . his natural thickness from end to end. His short, strong bone. Legs right out on the corners. His mellow fleshing. His balance.

We have his first two calves. We are convinced he's a SIRE. See them. We think you'll have a real DESIRE to have something carrying his service!

**and here's how Oakwood Landmark x
looked in March, 1953.**

Because of their confidence in Les Mathers' integrity, and in his great ability to choose herd sires, Oakwood goes to Leveldale for "Mr. Shorthorn" to confirm their judgment in the decision that Lawton Benefactor is THE bull for Oakwood!

The Lawton Benefactor Story

FOR A YEAR we have been looking for a bull to strengthen the Oakwood battery of herd sires. We were exacting about the qualities that bull must bring to Oakwood.

We have grown to know and respect the ability of Les Mathers to pick top sires. When the 1953 Leveldale catalog arrived I studied it carefully. I had a feeling the bull I had been looking for might be in that offering. The comment on Lot 3 struck home. I analyzed his pedigree and was interested in the fact that he was sired by one of the better sons of the celebrated Kirkton Baronet, and that his dam was sired by Kirkton Envoy, sire of the 1952 Palermo champion Lawton Nelson, a reserve winner at Perth before going to the Argentine. I tabulated the pedigree through the fourth generation. The bulls I wanted behind our bull were all in the pedigree of Lawton Benefactor. Only two things remained to be cleared. I was ready to use the bull. I wanted one that Les Mathers believed in enough to have used on some of the top brood cows at Leveldale.

Upon arrival, I went over the bulls in the sale. I felt I was right in my belief in Lawton Benefactor before I saw him. I had him led out and was convinced. He had the things we need at Oakwood. Moreover he had inherited them. I had just one more hurdle to clear. I "talked it over" with Les Mathers. He told me about his sire and about his dam. He told me he believed in Lawton Benefactor and that several of the better brood cows at Leveldale carried his service. That settled it. I KNEW I had found the bull!

Vernon Benroth and Dr. O. W. House were seeking a herd bull to follow Drynie Wonder and Edellyn Royal Leader 83d. Vernon was there. He had tried to buy Lawton Benefactor the week he arrived at Leveldale from quarantine. Our farms are 35 miles apart. The Willow Lee Cow herd is one of the nation's best. Dr. House and Vernon Benroth would make ideal partners in the ownership of a herd sire. I asked them if they would be interested—and Lawton Benefactor came to Ohio.

A few of the top cattlemen of the country have ventured the prediction that if Lawton Benefactor was fitted he could be a winner in the fastest company. We think he is that kind of a bull. However, we are perfectly content, at both Willow Lee and Oakwood, to keep the bull in working condition and show his calves.

On sale day we hope you'll take time to study him. We want you to get your eyes full of his stock bull look . . . his great head . . . his short strong bone . . . great thickness and depth of rear quarter, set on a perfect hind leg. Notice his length of quarter from hook to pin bone. Span his coupling to his first rib. When have you found one more closely coupled? Note the depth of his flanks, grand hide and natural fleshing . . . the eye of a sire. All these things are of prime importance at Oakwood. His sire is a solid red, thick and lowset, the same stamp as Lawton Benefactor. His dam is a beautiful dark roan heifer, medium in size, correct in her lines and a liberal milker.

We are showing you two unretouched photos of Lawton Benefactor, just as he looks in his working clothes. The third was taken a month after his release from quarantine. A few heifers are being offered carrying his service. These will be all the females we will offer mated to him until 1955.

Should you be near Leveldale Farms this summer, we hope you will stop to see the first calves sired by Lawton Benefactor.

This posed picture of Lawton Benefactor was taken 30 days after his arrival at Leveldale following the long trip from Scotland.

An unposed, unretouched photo as he looks today at Oakwood showing his bone, great width, spread of ribs and grand head.

Another unposed, unretouched photo showing his shortness of legs, position of legs and perfect proportions. Yes, we like him a lot!

**Where have
you seen
more bone,
more substance
more width
more depth
shorter legs
or more
perfect balance?**

**Says Mr. Shorthorn:**

Perhaps the things I know about the ancestors of Lawton Benefactor may prove interesting to those who are buying his service. If so, here are some facts:

Crichton Benefactor—Solid red, low set, same stamp as Lawton Benefactor.

Kirkton Baronet—Greatest sire in Scotland in his day. His sons used in most of herds in Scotland, also in many of good herds in Argentina, Australia, Canada and U. S.

Lawton Field Marshal—The best known of three full brothers used in famous herds of Scotland. (Lawton Rear Admiral at Uppermill and Lawton General Smuts at Pitpointie.)

Collynie State Express—A great sire by Aldie Conqueror, his sons were widely used. Lawton President Roosevelt used extensively at Calrossie and Glastullich. Collynie Elect used with good success at Millhills where he sired numerous high priced bulls.

Calrossie Broadhooks Bounty—Spent his life at Kirkton, considered one of the best used by K. P. MacGillivray. Many of his sons went for export at long prices.

Calrossie Sweepstakes by Calrossie Randolph—Used successfully at Uppermill where many of his daughters were re-

tained in the herd. Sire of many high priced bulls. One a Perth champion, Royal Rothes.

Aldie Satisfaction—A Perth winner, sire of Aldie Conqueror, used extensively at Collynie and Uppermill.

Lawton Princess Oliva—A beautiful dark roan heifer, medium in size, correct in her lines and a good milker.

Kirkton Envoy—2000 gn. as a calf at Perth. Most of his daughters retained in Lawton herd. Sire of Lawton Nelson, reserve champion at Perth and grand champion at Palermo 1952.

Naemoor Marshal—4700 gn. sire of many good breeding bulls, sold to Argentina and Australia. Kirkton Eureka and Kirkton Gambler proving great sires in U.S.

Cruggleton Prince Bob—1000 gn. son of Cruggleton Perfect. Sire of many high priced cattle at Naemoor and Cromleybank. Several of his sons are in service in U.S.A.

Tarvas Era, dark red of tremendous bone used at Lawton and Harviestown.

Calrossie Fearless—A red roan by Calrossie Control, Perth champion and sire of Calrossie Mercury. Fearless was a bull of great bone and very thick, smooth flesh. Used most of his life at Kair where he sired many females kept in the herd and several bulls used successfully in Argentina.

All of the females shown in this pedigree come from herds where only the best are retained and the best are never sold.

I hope you can use some of these remarks in your catalog and you may quote me as saying that "I have full confidence in Lawton Benefactor as a stock bull and am glad that some of our best cows are carrying calves to his service."

A FEW BULLS THAT WENT OUT FROM THE 1953 OAKWOOD SALE

Oakwood Mainliner x, purchased at \$3,100 by Gunn Farms, Greenfield, Indiana. Sire, Commander-in-Chief x.

Oakwood Conquest x by Commander-in-Chief x. He was purchased at \$7,000 by J. L. Adams, Dothan, Alabama, and now heads the great herd at L & L Farms. He was the second prize junior yearling bull at the 1953 International.

Oakwood Highborn x by Commander-in-Chief x. He was the reserve champion sale bull of the 1953 International Sale show. Purchased at \$2,050 by Ken Ala Farm, Hope Hull, Alabama.

Oakwood Golden Chief x, the son of Commander-in-Chief x that was purchased at \$775 by J. W. Bell, Shellman, Georgia.

Oakwood Pay Day x—This son of the 1950 International reserve champion Oakwood Mainstay x was purchased by Elmer Shaw, East Fultonham, Ohio, at \$800.

Oakwood Compensation x is the very good son of Commander-in-Chief x that was selected to head the strong new herd at Foxdale Farm, Duluth, Georgia.

Oakwood Main Leader x by Oakwood Mainstay x. Purchased at \$850 by Carl Reibel, Grove City, Ohio.

Oakwood Proud Chief x, purchased at \$1,200 by Hosler & Courtright, Amanda, Ohio. Sire, Commander-in-Chief x.

Oakwood Elect x—A son of Oakwood Bequest x purchased at \$600 by Loyal Spang, Butler, Pennsylvania.

Why not let Oakwood blood work for you?

"Red" . . . a grand fellow and a real cattleman . . .

"Red" Ferguson (known to a few as Harvey) has been at Oakwood for twelve years. He knows the herd from having fed and developed many of their sires and dams. He has fitted the show herd, looked after the breeding herd and fed the sale offerings during this period. No herdsman has fitted and shown more Polled Shorthorn winners in the past twelve years than "Red" has brought out for Oakwood.

He spends long hours in keeping things going and he takes time to see that careful attention is paid to getting things done. Red knows the herd thoroughly and he will be glad to show you the cattle anytime.

Harvey "Red" Ferguson proudly displays S & G Admiration x, the 1953 International grand champion bull.

On the following pages you will find the 1954 sale offering, the best in Oakwood history . . . a treasure chest filled with golden opportunities!

Never has a sale offering contained so many daughters of International grand champion bulls or daughters of bulls that have sired International grand champions. Never has Oakwood offered 10 bulls with better polled heads, blockier bodies or richer ancestry.

Featuring the blood of Commander in Chief, the "Sire Supreme" and more of the blood of Edellyn Royal Leader and Edellyn Royal Leader 2nd than has been offered in any breeder's sale since the dispersion of the noted Cherry Hill Herd.

All but seven of the females in the Oakwood offering were officially vaccinated with Strain No. 19 for Brucellosis. All were pre-tested before vaccination and were negative. Since this is our practice, we have not mentioned vaccination, individually, in our footnotes.

Oakwood Lecturer x is a son of Commander-in-Chief x that simply radiates STOCK BULL and SIRE. He is rugged, thick and massive. He's thick and he's deep sided, with a low flank. Each leg on a corner! Bone to burn! Yes, he's a prospect for a breeding bull. Looks like he'll be a sure dehorner. In fact, he is easily one of the best prospects sired by the old Sire Supreme.

His dam is a dark even roan, now an old cow, but a consistent producer of top calves. She is a heavy milker and in her younger years always raised two calves. Her daughters are scattered from Canada to Florida, Alabama and Texas. Two of them are retained at Oakwood.

Oakwood Lecturer x can make some herd BETTER KNOWN, for he can solve most breeder's PROBLEMS.

Oakwood Journalist x will be recalled by many who attended our 1953 sale as the outstanding red bull calf that was in the paddock north of the sale barn with his dam. He's the same kind today. Great head, unusual depth of body, full quartered and short legged.

Like his sire, the \$10,500 Oakwood Determination x, and his grandsire, Commander in Chief x, he promises to be another 100% dehorner.

His dam is an excellent cow, a heavy milker, and a granddaughter of Maxwalton Walkaway x.

His dam is a full sister to the dam of Royfield's Leader x, whose get have topped sales and shows everywhere they have been entered for Helen and Henry Baum's Round Grove Farm. His granddam is Strowan Myrtle, dam of Oakwood Myrtle 4th x, the senior and reserve grand champion female at the 1952 International.

Study this calf . . . his depth of body, his shortness of leg, his sogginess and a hide like a kid glove. He's a show prospect. He will be a SIRE. He was weaned at six months and he has grown up the hard way . . . that's why we are so SURE he will MAKE GOOD.

Oakwood Headway x has much to appeal to the breeder who wants a rich red bull that promises to be another 100% dehornor. He's very deep bodied, short legged, full quartered, carries his spread from front to rear and he has a world of natural thickness of flesh.

His dam is a daughter of Oakwood Crown Command x, 100% dehornor and the sire of the dam of Royfield's Leader x, the 1950 Congress grand champion bull that is doing such a grand job for Helen and Henry Baum at Round Grove Farm.

Here's a bull we BELIEVE is destined to make a top notch, breed improving sire. He's bred that way. He looks it!

Oakwood Nominee x is a rich red son of Commander in Chief x. His dam is a top cow and one that has done a top job of producing good ones. Recall her daughter that went to Bert Fields, Dallas, Texas, in the 1951 Sale and her daughter that went to Oak Shade Farm, Williamsport, Ohio, in 1952. Everyone remembers her daughter in the 1953 sale that went to Dr. and Mrs. Stoll, West Plains, Missouri, at \$1,800. Her first son was sold for export.

Here's a chance to get a son of Commander in Chief x backed up with the blood of Collynie Royal Barrage, the Perth supreme champion, Millhills Ransom, and Collynie Victor Royal. Progress is made with such inheritance behind breeding bulls.

Oakwood Good Fortune 3rd x was a member of the winning pair of calves and get-of-sire at the 1953 International. She stood fourth in the senior heifer class. She was weaned from her dam and came off pasture in August. She has come a long way since and can do some winning in 1954.

She's out of the same dam as the \$4,600 Oakwood Good Fortune 2nd x that topped our 1952 sale, going to the select group of Polled Shorthorns at Hi Ho Farm, Phoenix, Maryland. These Marr Floras have been a part of the Oakwood breeding program for thirty years. We bought Maxwalton Fortune in the dispersion of the Carpenter & Ross herd. For five generations they have been good cows for us. This heifer can do AS WELL for her new owner.

We have served her to Lawton Benefactor. We are certain you'll understand our interest in that calf!

Oakwood Lavender 27th x.

Oakwood Lavender 27th x is a daughter of Commander in Chief x that should never leave Oakwood. She has that "breeding cow" promise so important to top brood cows. She's thick and deep bodied. She's level and balanced. Her dam is one of the best cows in our herd. She's a consistent producer of good calves. A son topped the summer yearling class at the 1950 International and heads the herd of Robert Hahn, Minonk, Illinois. A full sister to this heifer is a top matron in the L & L herd owned by J. L. Adams, Dothan, Alabama.

Oakwood Lavender 27th x is mated to Oakwood Landmark x, our son of Oakwood Conqueror, whose first calves justify our confidence in him as a sire. See them, you'll ASPIRE to own this heifer.

Oakwood Nonpareil 3rd x.

Oakwood Nonpareil 3rd x was produced from a mating planned to produce a calf to stay here. The mating, Oakwood Conqueror x, bred to a daughter of Oakwood Crown Command x out of the dam of Oakwood Conqueror. We feel that her ability to prove a top brood cow is unlimited. She's loaded with breeding that guarantees her promise. Study her inheritance.

Edellyn Royal Leader plus the 1941 International grand champion, Coronet Command x; two crosses of Gosshall Ximenes, plus two infusions of the blood of Glen Knolls Nonpareil x, the top polled brood cow in the noted Cherry Hill herd. All this stands for ASSURANCE.

Hal Longley called her a show prospect. We call her a brood cow prospect.

She's mated to the 1952 International grand champion bull, S-G Admiration x. What she COSTS isn't important! Owning her will PROVE it!

Oakwood Estelle 33rd x can be the BUY of 1954. She's another Estelle we shouldn't part with. These females, aren't all show cattle but it's a family that has produced CHAMPIONS on end. The worth of the imported cow, Milrig Estelle, in the Oakwood herd, is hard to estimate. Her daughters, her granddaughters, her great granddaughters have been CONSISTENT in their breeding excellence.

This daughter of Commander in Chief x inherits the influence of no less than SIX International grand champion bulls on top of Milrig Estelle. She's mated to Lawton Benefactor! OPPORTUNITY here . . . NO LESS.

Cherry Hill Souvenir x, the famous son of Collynie Compact x that has made such a sensational record in the Sporting Field herd, owned by W. H. McCeney at Capon Bridge, West Virginia. He was the sire of the \$4,000 West Hatton Lavender that sold at \$4,000 to Lynnwood Farms and he was also the sire of Lot 15, a great heifer in this sale. Four of his daughters established a record average of \$2,012.50 for daughters of one sire in one sale in 1952.

These five beautiful daughters of Commander-in-Chief x are selling in the 1954 Oakwood Fountainhead Sale. From left to right they are: Oakwood Estelle 33rd x (Lot 14), Oakwood Merry Missie 7th x (Lot 17), and Oakwood Gloster N x. Oakwood Merry Missie 7th x is a heifer we had planned would spend her life at Oakwood. When you see her, you'll understand why!

This family has made good everywhere we have sold them. A liberal percentage of our best bulls and females have descended from the old foundation cow, Maxwalton Missie F. She came to Oakwood just 28 years ago. It would take pages to record the performance of her progeny. They have been TOPS in Australia and they have been TOPS in the United States.

Oakwood Merry Missie x is one of the better daughters of the International grand champion, Oakwood Merry King x. Her dam by the International grand champion Oakwood Emperor x is still here in her 18th year. Oakwood Mistress x, by the 1929 International grand champion, Oakwood Rodney, had a record for producing herd bulls second to none.

Oakwood Merry Missie 7th x is selling safely settled to Lawton Benefactor. A new ACHIEVEMENT can be recorded by that calf!

Oakwood Merry Missie 3rd was purchased in our 1951 sale by Kyalla Stud in Australia. She is out of the same dam as Lot 17.

Oakwood Gloster M x is a solid red daughter of the Sire Supreme, Commander in Chief x. She's a heifer of scale, brood cow roominess and ruggedness. Her dam has an excellent record of producing daughters who "make good." Consider what Gloster of Oakwood, her first daughter did for the Cherry Hill herd. Consider what her daughter Gloster of Oakwood B has done for Oakwood. Only the fact that Gloster of Oakwood B and Duchess of Gloster 20th have heifer calves allows us to consider parting with Gloster M. She's mated to Oakwood Landmark and we predict an excellent calf should result.

Gloster of Oakwood B x, 1945-46 grand champion female, by Gosshall Ximenes. She was the dam of Gloster of Oakwood C x, champion in 1948; Oakwood Guardsman x, sold to Walter McGee of Mississippi; Oakwood Determination x, the \$10,500 herd sire owned by M. E. Beman & Sons, Thurman, Ohio; and Oakwood Domination x, herd bull for H. D. Case, Nanjemoy, Maryland.

Oakwood Domination x, purchased early in 1954 by H. D. Case, Nanjemoy, Maryland. This son of Commander-in-Chief x is out of Gloster of Oakwood B x and is a full brother to the \$10,500 Oakwood Determination x, owned by M. E. Beman & Son, Thurman, Ohio.

Oakwood Gloster N x is a dark roan daughter of Commander in Chief x whose dam, Oakwood Gloster x, is one of the better brood cows at Oakwood. Her granddam had the unusual record of producing top notch daughters that made good in every herd . . . each sired by Oakwood Merry King x, the 1939 International grand champion bull.

L & L Farm, Dothan, Alabama, E. G. Terpenning, Thurmont, Maryland, R. C. Armstrong, Teeswater, Ontario, and M. E. Beman & Son, Thurman, Ohio, each owns a daughter of Oakwood Gloster E x and every cow is a top producer. We know of no better recommendation for any heifer.

She is selling mated to Lawton Benefactor and we hope she stays nearly where we can watch that calf develop.

Brookdale Blossom 2nd x is another granddaughter of Edellyn Royal Leader 2nd of outstanding excellence. As an individual she pleases all the way. A show prospect and she certainly looks a brood cow. What a pedigree! Sired by Cherry Hill Clansman x, grandson of both Edellyn Royal Leader and Collynie Fascinator x. Dam by the grand old sire of many champions, Collynie Goods x. Next dam by Scottish Peer x—sire of the top selling female in our 1951 sale.

Her appeal should be further enhanced by her mating to the 1951 International reserve grand champion, Oakwood Predictor x.

Where will you find more perfect females for the foundation of strong Polled Shorthorn herds? Here are four that will sell in this sale. From left to right: Brookdale Charity x (Lot 21) sells bred to S & G Admiration x; Brookdale Goldie 2nd x (Lot 22) sells bred to Imp. Lawton Benefactor; Brookdale Alma 2nd (Lot 24) sells bred to Oakwood Conqueror; and Brookdale Blossom 2nd (Lot 20) sells bred to the International reserve champion Oakwood Predictor x.

Brookdale Charity x.

When I saw Brookdale Charity x as a calf I thought she was one of the best prospects I had seen. She had the same promise at a year of age. She's the same today. Good judges "spot" her here at the farm. Many have been generous in their commend and their predictions for her future.

She has the head of a champion and she wears it well. She is deep. She is smoothly turned. She is full quartered. She is a balanced show prospect that stands on lots of bone. Class, style, broodiness and she has APPEAL!

She is out of a great cow. They have been a great family of cows in the few herds fortunate enough to own a daughter or granddaughter of Clipper Charity 5th. Analyze her pedigree—Edellyn Royal Leader, Collynie Fascinator x, the Perth supreme champion, Calrossie Mercury, the noted Beaufort Guest—all these sires guarantee the future of Brookdale Charity!

We want to reserve the right to show her this season. She is selling mated to S-G Admiration x, the 1952 International grand champion bull. That should give her UNIVERSAL APPEAL!

Brookdale Goldie 2nd x.

White Oak Rothes x is the sire of Lot 23 in this sale. This famous sire that made such an excellent record in the Lynnwood herd has recently been purchased by Ben Franklin for use in his Birmingham herd at Kingston, Ontario.

Brookdale Goldie 2nd x stood second at the 1953 Ohio State Fair. She is a prospect for top honors as a two-year-old this season. Grand head! Short of leg! Deep bodied, thick, balanced and smooth... that's her.

She is out of a dam of the same pattern. Her second dam was the same kind when she came to Oakwood as a calf. As a mature cow she's a top individual. That's why we believe so fully in Brookdale Goldie 2nd x.

She's a granddaughter of Edellyn Royal Leader 2nd. She's likewise a granddaughter of Oakwood Leader x. She's selling mated to Lawton Benefactor. We kept her open so she'd calve after the International, for we think we'd like to show her!

Imp. Pittodrie Upright Perth champion, sold for the world's record price of \$63,500. Lot 25 is a polled granddaughter of this famous bull.

Brookdale Rosebud 3rd x can write a progress report of Polled Shorthorn achievements. She is as modern as 1954. Short legged, deep bodied, smooth and chock full of quality. She will stay that way.

She is a polled granddaughter of Pittodrie Upright. Her sire is out of the same dam as Brookdale Charity x that is selling as Lot 21. Her dam has been an excellent brood cow in the Piatt herd and she is a daughter of Glen Knolls Monarch x, the model type Polled Shorthorn bull whose daughters are producing so well at Lynnwood Farms.

She's a grand heifer, right in her type, unusual in her inheritance and selling with a breeding privilege.

Edellyn Royal Leader, the "All American Favorite." More of his blood is represented in this sale than in any sale since the Cherry Hill Dispersion. Lot 26 is a polled granddaughter.

Right—Archwood Chief x by Commander-in-Chief x as he looks today. This is the sensational bull that sold as a 3-weeks-old calf in the 1952 Oakwood Sale at \$2,900, a record price for a calf of that age. His dam, Sporting Field Clara x, the 1951 Congress champion female, was bred by W. H. McCeney.

We doubt if you will have many opportunities to bid on a polled granddaughter of Edellyn Royal Leader. Rarely do they carry a cross of the Perth supreme champion, Calrossie Mercury. Here is a buyer's opportunity. Her dam is an excellent cow from a family known to consistently produce good ones. Moreover, she is a granddaughter of Red Oak Sensation x, a great sire.

This heifer has promise of making a top brood cow. Breeding and bloodlines to guarantee her claim. At any price she will be WORTH owning.

Left—Oakwood Leader x, champion and sire of champions. If Gosshall Ximenes had left nothing at Oakwood other than Oakwood Leader x, the \$5,700 invested in him would have been justified. The blood of Gosshall Ximenes has carried on through Oakwood Leader x and the blood of Oakwood Leader x is carrying on through his sons and daughters.

**Imperial Bessie x.**

Imperial Bessie x is a rich, dark roan that has about everything we would demand in a foundation female—sweet headed, deep bodied, lowset, smooth, balanced. She fills your eye from every angle.

She is a granddaughter of Commander in Chief x. A Marr Bessie, she is a direct descendant of Roselawn Bessie, one of the best brood cows we know of.

She is bred right, she is made right, and we'd like to think she is mated right, for she is carrying the service of Lawton Benefactor.

**Imperial Lavender x.**

Imperial Lavender x has what top brood cows must have—ideal conformation, proven inheritance, and a family known to produce the BETTER KIND. She combines all these requirements with some to spare. She possesses bone and substance aplenty.

Study her three-quarters sister, Imperial Bessie. These granddaughters of Commander in Chief x can uphold his tradition—looks like his blood breeds on.

She belongs to the same Dunrobin Lavenders as our 1938 International grand champion female, Oakwood Lavender 10th x, the granddam of Oakwood Landmark. Great heifer, from a noted family and she's due to calve September 21st to Oakwood Conquest, the \$7,000 son of Commander in Chief, heading the L & L Farm herd at Dothan, Alabama.

Oakwood Lady Augusta x can be one of the BEST BUYS of 1954. Few females of her equal are ever offered. When you see her, you'll want to see MORE of her. She has the head and front of a brood cow. She is deep bodied and thick. She inherits the right to be that way. Her sire, Alpine Impression x, was grand champion at the 1943 Polled Shorthorn Congress. Her dam is a granddaughter of the noted Collynie Goods x. She is also a granddaughter of Milky Way Prince, one of the breed's top sires and champions.

She is due to calve June 6th to the service of Commander in Chief x, the only female in the offering mated to the Sire Supreme.

Queen's Eleanor x1835837
Roan, F. W. Gilchrist

Pleasant View Favorite x will be a "favorite" with everyone. She's just a whale of a heifer from every angle. Just watch her coming at you—you'll be watching her as she goes away.

She's bred right, she's made right and she's mated right. Due to calve in August to the 1951 International reserve grand champion, Oakwood Predictor x. Her calf will have a double infusion of the blood of Commander in Chief x and also of the 1941 International grand champion, Coronet Command. Something worth THINKING ABOUT! Something WORTH owning!

Pleasant View Missie x is one of the deepest, thickest, shortest legged females to be sold anywhere in 1954. She is a model of excellence in females—just study her! She has about EVERYTHING!

Oakwood Chief Topic x is a full brother to Oakwood Flora 3rd x, the 1953 International senior and reserve grand champion female. His six daughters selling in this sale stamp him as a top sire and a worthy son of Commander in Chief.

This heifer is an Edgcote Missie—the same family that has done so well at Oakwood. She is loaded with the blood of the BREED'S BEST SIRES and she is due to calve in September to the service of Oakwood Landmark.

Pleasant View Wimple x is a three-quarters sister to Pleasant View Missie and is the same kind. Thick, deep bodied, low set, roomy, they look like breeding cows to us.

She's a Marigold and they are tried and proven—dependable, heavy milking and distinctly the WORTH OWNING kind.

She's mated to Oakwood Landmark. Mark her for a long look if you want to buy the BETTER females.

Oakwood Flora 3rd x, 1952 grand champion female at the Illinois, West Virginia and Indiana State Fairs and the Southeastern Show, Atlanta, Georgia. She was 1953 grand champion female at the Illinois and Ohio State Fairs and senior and reserve grand champion at the 1953 International. She is a full sister to Oakwood Chief Topic x, sire of six beautiful heifers in this sale.

Oakwood Chief Topic x. Six beautiful heifers sired by this outstanding son of Commander-in-Chief x are selling in this sale. He is owned by J. C. Wahls, St. Olaf, Iowa, and is a full brother to Oakwood Flora 3rd x, pictured above.

Elmwood Gloster 2nd x is one we hesitate to let leave Oakwood. When you see her, you'll understand why! She represents proven proof of what Clare B. Turner & Son have done with Oakwood breeding. She is a granddaughter of Gosshall Ximenes. She is also a granddaughter of the Sire Supreme, Commander in Chief x. Her second dam is a granddaughter of the 1939 International grand champion, Oakwood Merry King. Oakwood Security is a full brother to one of the best cows we own at Oakwood, the 1948 grand champion, Oakwood Hope 8th. Go have a look at this cow, then take another look at Elmwood Gloster 2nd. Same pattern? Look alike? Looks like excellence does "breed on" doesn't it?

She lost her calf at calving and she's selling with a solid red heifer calf at side, a Marr Bessie out of a daughter of Oakwood Security. A more valuable pair will not be offered in 1954.

Oakwood Bessie A x—This is the heifer that is now nursing Elmwood Gloster 2nd x, Lot 49-A. Here is a great cow and a great calf. Note the famous Oakwood bulls in this pedigree.

Elmwood Red Beauty 3rd x is a rich, solid red. She is deep, she is thick, she is smooth and she is a brood cow of the first water. We chose three daughters of Oakwood Security to feature in this sale, each an excellent individual, each from a family of good producing cows, each one a proven brood cow in her own right. This cow is line bred in the blood of the 1939 International grand champion, Oakwood Merry King, through both sire and dam. Yes, Oakwood Hope 5th is a full sister to the \$4,000 Oakwood Lieutenant Commander, exported to King Bros. in South Africa, and Oakwood Hope 2nd is the dam of Oakwood Commander, 1940 International grand champion bull

Rockhill Hi Ho May x is a rich, solid red daughter of the excellent sire, Cherry Hill Emissary x, son of Collynie Compact x and out of a full sister to our Gloster of Oakwood B, dam of Oakwood Determination, the breed's top selling bull at auction.

Her dam is a granddaughter of Cruggleton Perfect, the greatest sire of his day in Scotland. These Mayflowers are a great family and this young cow is a heavy milker, a deep sided, roomy matron. As proof of her ability as a brood cow she's selling with her daughter by the 1951 International reserve grand champion, Oakwood Predictor x. She is due to calve again July 10th to the service of Oakwood Predictor x.

Her sire, Oakwood Hallmark, is one of the top sires and he left an outstanding lot of daughters at Oak Shade Stock Farm. She comes from the Edgcote Missie family—one of the best. Her pedigree is stacked with the breed's best bulls. She sells with an outstanding February 1st, rich roan heifer calf of showing promise, sired by the 1951 International reserve grand champion, Oakwood Predictor. If you aspire to breed the BEST, you'll resolve to own THIS PAIR.

Elmwood Bessie 68th x is a young cow that can start someone on the road to success. These Marr Bessies are a great family, everywhere you find them you'll find good ones. Clare Turner bought Bessie 65th in our 1944 sale and a trip to his farm will convince you of the merit of adding a top female when you buy one. He has evidence aplenty.

We consider her heritage a "combination of the best." Gosshall Ximenes, the Perth supreme champion, Coldoch Union Jack, two crosses of the 1939 International grand champion, Oakwood Merry King, and Bessie 53rd that is out of a daughter of the International grand champion, Browndale Goldspur.

She sells with a red heifer calf of excellent promise born Dec. 12, 1953 and sired by Lakeside Supreme Max, a champion son of the \$10,000 Killearn Max Senator. A foundation pair for the critical buyer and remated to Oakwood Landmark.

Eight beautiful daughters of Commander-in-Chief x and Oakwood Leader x. They have gone back into the herd to insure that Oakwood Polled Shorthorns shall remain favorites the world over.

but . . . the kind we sell are as good as those we keep.

Here's a group that went through the 1953 Oakwood Sale . . . sweet, young heifers of superior beef form and backed by blood insures top results! All doing a great job for their new owners.

These four heifers were sold in the 1952 Oakwood sale, and are now in four different states. You will find them in the herds of Creekland Farms, Clinton, South Carolina, W. L. Bullis, Rockville, Maryland; Charles A. Paugh, Macedonia, Ohio, and Archwood Farms, The Plains, Virginia.

Here are a few of the fine folks who are consigning to the Oakwood Customers' Sale.

Snapped as they studied their catalog at the 1953 Oakwood sale . . . Mr. and Mrs. C. Henry Baum, Jr., West Lebanon, Indiana.

Fred Beman, junior partner of M. E. Beman & Son, Thurman, Ohio.

Don Sigg, general manager, displays the trophy and Herbert Weber, herd manager, displays the champion and top selling female at the Ohio Polled Sale. These are the men who make things tick at Landen Farms, Foster, Ohio.

Howard Bell, manager of L & L Farms, displays the top selling animal in the 1954 L & L sale at \$2,500. Also in the picture are Dwight Griffith, manager of Acadia Farms who purchased the heifer, Jim Adams, owner of L & L Farms and Allan Atlason, association secretary.

Homer Reynolds of the firm of O. J. Reynolds & Sons, Toney, Alabama, is shown at the extreme right. Ed Lewis of the Moultrie, Georgia, chamber of commerce explains to him that the key to business success is through better cattle. At his left is John Duane, ex-president of the South Eastern Regional Shorthorn Breeders' Association.

Paul Lehnert, Galloway, Ohio, displays the bull LSF Royal Model x by Montezuma that sold at the all time Polled Shorthorn Congress record of \$4,000 to W. M. Bottenfield of Pennsylvania. With Paul are Mr. Bottenfield, A. Louis Oswald and C. K. Tomson.

A view in the pasture at Round Grove Farm, West Lebanon, Indiana, owned by C. Henry Baum, Jr.

Winwood Polled Shorthorns are raised under natural southern conditions. Pictured are a few of the sixty foundation females. The owner is R. L. Godwin, Brundidge, Alabama.

An air view of Redman Farms, Zanesville, Ohio, noted as one of the most fertile farms in this state.

Here are a few of the grand cows secured by Landen Farms, Foster, Ohio, through the purchase in 1953 of the entire Carl Cross herd. Landen Farms are the owners of Upright's Leader, record selling Polled Shorthorn bull at \$12,000. He was the reserve grand champion at the 1953 International.

Scenes on the farms of Oakwood Customers' . . .

Robert M. Janes, Chillicothe, Ohio, is very proud of these calves sired by the \$5,000 Oakwood Grand Duke and he certainly has a right to be.

Above are shown a few of the blocky, thick, Polled Shorthorn heifers that were sold by J. L. Adams in his recent auction at L & L Farms, Dothan, Alabama. Jim is consigning four equally good ones to this sale.

These bulls have made history at Oakwood and their blood is strongly represented in the consignments of Oakwood Customers

ROYFIELD'S LEADER X

Royfield's Leader x, by Oakwood Leader x. 1950 Polled Congress Champion Bull.

Here's what one Oakwood customer did —

Roy Hopper, Fredonia, New York, purchased the heifer Oakwood Myrtle x by Oakwood Crown Command x at \$875 in the 1948 Oakwood Sale. She was carrying the service of Oakwood Leader x. The calf born to this service won grand championship for Roy at the 1950 Polled Shorthorn Congress. His name is Royfield's Leader x and he is now owned by C. Henry Baum, Jr., West Lebanon, Indiana, where he is making a truly great record. When you see the five daughters of Royfield's Leader x in the Oakwood Customers' Sale, you will agree that this blood breeds on.

BONNIE BUTTERFLY 4TH X

Here's what another did —

Major H. H. Allen purchased the heifer Bonnie Butterfly 4th x in the 1951 Oakwood Sale for the famous Hi Ho Herd at Phoenix, Maryland. He paid \$2,000 to secure her but the investment paid off quickly because she went right on to win the International grand championship in 1951.

And here's what still another did —

South & Gallaher, Franklin, Ohio, bought the heifer Oakwood Leading Missie x by Oakwood Leader x in the 1950 Oakwood Sale at \$700 with a breeding privilege to Oakwood Conqueror x. The great bull S & G Admiration x was born of this service and he was good enough to win grand championship at the 1952 International Live Stock Exposition. When you see the calves by him at both Oakwood and the South & Gallaher Farms, you will certainly agree that this blood breeds on.

S & G ADMIRATION X

S & G Admiration x, 1952 International grand champion for Oakwood Farm and South & Gallaher. Sire, Oakwood Conqueror x, by Edellyn Royal Leader 2nd x.

and there are dozens of more true stories about the success of Oakwood productions

The Progeny Test is The Surest Test . . .

Prof. D. J. Kays, famous Ohio educator is responsible for the statement: "Maintaining a good breeding herd is something like maintaining a bank account . . . you can't take out more than you put in." How very true! The fact remains, however, that if you add to your herd individuals of top quality and drawn from the right Blood Bank, you can take out something of real value . . . and Oakwood customers are proving it! They have purchased females like those pictured here and bulls like those pictured elsewhere in this catalog and they are ready and proud to show you their rewards in this sale.

This is a new sale. It is distinctly in line with today's theory that the "progeny test is the surest test."

The forty-three head that are to be sold in the Oakwood Customers' Sale are excellent because they are bred to be excellent . . . and they can be counted upon to reproduce unfailingly. Since the proof will be there on May 24th for all to see, this sale provides a guarantee of performance and a measure of buyer-safety seldom found.

Hal Longley
of The Shorthorn World.

Success Story . .

Round Grove Jenny Lind x by Royfield's Leader x, first prize heifer at the 1954 Polled Shorthorn Congress. She was bought for \$1,000 by Avenel Farms, Bethesda, Maryland.

Two valued Oakwood customers are involved in the success story of the great bull Royfield's Leader x. The principals of the story are Roy Hopper of New York and C. Henry Baum, Jr. of Indiana, two men who are to be admired for their ability to pick them right and grow them right. Roy Hopper displayed good judgment when he bought Oakwood Myrtle x at \$875 in the 1948 Oakwood Sale. He knew she had the right blood background and had faith in the calf she was carrying to the service of Oakwood Leader x. When Royfield's Leader x was born, he received the care he deserved. The reward was the championship at the 1950 Polled Shorthorn Congress and a dividend of \$2,750.

Henry Baum used equally good judgment in buying Royfield's Leader x and equal skill in the development of his calves. Has his investment of \$2,750 paid out? Let's take a brief look at the records. Sons and daughters of Royfield's Leader x have already been purchased by discriminating breeders in 13 states and Canada. They have won high honors wherever exhibited and have commanded premium prices whenever offered. The total income from the sale of 27 of his calves to date is \$18,785 and they have averaged \$696. Best of all, a uniform group of 30 of his daughters have been retained for replacement. The Round Grove Herd is better today than ever before in its history . . . and Royfield's Leader x is only five years old.

The moral . . . It isn't what you pay. It's what you get for your money that counts.

RG Leader's Rosewood—Reserve champion female, 1953 Indiana State Sale, purchased for \$700 by Creekland Farms, Clinton, South Carolina.

Best pair at the 1953 Polled Shorthorn Congress, both sired by Royfield's Leader, grand champion bull at the 1950 Polled Shorthorn Congress.

RG Royal Augusta x by Royfield's Leader x. At \$2,000 she was the top female at the 1952 International Polled Shorthorn Sale selling to Archwood Farm, The Plains, Virginia.

And here are the five beautiful daughters of Royfield's Leader x that will sell in the Oakwood Customers' Sale. Remarkably uniform in type, this bull has stamped his calves with his own good head, smoothness, thickness and shortness of legs. See Lots 54, 55, 56, 57 and 58 in this sale.

R. G. Princess Jenny 2nd x—First prize junior yearling at the Indiana State Fair last year, and in the meantime she has continued to develop marvelously. If the next owner agrees, we would like to show her again as a two year old. If we could pick the cow to produce a herd bull for us, this would be the one. We like her specifications through and through, not only what it written between the lines in her pedigree (which includes seven champions) but also the way she measures up as an individual. Allan Atlason made a very effective type demonstration with her last year at the time of the Indiana picnic. This heifer is bred for an early junior calf by Birmingham Randolph 2nd x. She was not bred previously because of our interest in showing her another year. Also, we feel that the service of this promising young bull has been worth waiting for. It is hard to imagine a more sound investment than the calf to be produced by this mating.

R. G. Princess Jenny 3rd x—This heifer is so much like her full sister, selling as Lot 54, that experts do not agree on which would be their choice. We were asked to consign them both as an example of breeding prepotency at its best. It was suggested that they be auctioned together with the winning bidder to take his choice. It is conceivable that he could advance his breeding program tremendously and side-step the question of making a choice by taking them both! We have a great deal of respect for the Cherry Hill Royal Oak x breeding represented in these two heifers. He was an International Reserve Champion as was also his son, Carona Fascination x, and his breeding record is noteworthy even among the many other distinguished sons of Edellyn Royal Leader 2nd. Look at these two heifers together . . . from their lovely feminine heads, over their thick, blocky bodies, soggy with substance, to their full quarters and short legs, straight and strong, firmly placed at each corner. True to type, certainly, and your assurance that they, too, can reproduce their kind.

RG Princess Jenny 3rd x.

Round Grove Mina 3rd x.

Birmingham Randolph 2nd x, the new junior herd sire at Round Grove Farm. His sire is a polled grandson of the noted Calrossie Highland Leader and his dam is an imported daughter of Millhills Champion. He combines a wonderful polled head with the best blood of Scotland. The five Round Grove heifers in this sale are either bred or have the privilege of breeding to this great bull.

Round Grove Mina 3rd x—Out of the same mold as her full sister, the universally admired \$2,000 top of the Teegardin consignment in the 1954 L & L sale. Her head, depth, thickness and short legs are models of perfection, but the outstanding characteristic of this family is its exceptionally mellow, thick fleshing and easy keeping qualities. If we were not retaining another full sister, a three-fourths sister, a half sister, and the dam, money could not buy this heifer. Proof that this breeding carries on is demonstrated by each of the good calves we have had from Blue Ridge Mina 8th sired by three different bulls. Here is a prime example of what can be done with a 100% de-horning Polled Shorthorn bull of the calibre of Royfield's Leader x when mated with good Shorthorn matrons. Carry this one step further, mating the heifer to Birmingham Randolph 2nd x whose type and pedigree exemplify the best that Scotland has to offer plus a perfect polled head, and the calf could be the realization of all our dreams!

Cherry Hill Royal Augusta sold to Janesway Farms in the 1946 Cherry Hill sale at \$2,400, and she is still desirable as an eight year old cow as shown by the fact that only last year she was purchased in the Hillside Farm dispersion sale by Lynnwood Farm, whose female herd is as illustrious as they come. Note that Oakwood Leader x and Oakwood Grand Duke x are both by Imp. Gosshall Ximenes. Line breeding to fix the influence of this famous sire, with a cross of Edellyn Royal Leader 2d, and the heifer mated to the peak of Scotch breeding in a polled bull, Birmingham Randolph 2nd x. Round Grove Jealousy x—If we may quote Paul Teegardin, he has stated flatly that this heifer has the markings of a wonderful brood cow, and, in no uncertain terms, the Jealousy family is a good one! The latter fact has been proven over and over again in the Leemon herd where two half-sisters to this dam have been among their best producers. Don't overlook the other side of the dam's pedigree, for Cherry Hill Beau x is by Collynie Compact x and out of Alpine Queen of Beauty 5th x. When you examine the heifer, you will be impressed with her great depth and thickness, her superb strength in the heart, and the good head that is standard equipment on Royfield's Leader calves. When we offer a heifer like this bred to Birmingham Randolph 2nd, the young bull whose conformation and rich Scotch inheritance guarantee his performance, you might say we were very generous, very foolish, or rather impecunious. The truth is that we feel it is good business to prove the power of our productions in the hands of others.

L S F Royal Masterpiece—If you are looking for a bull that has richly bred ancestors, this bull is second to none. His sire, Montezuma x, needs no introduction and his dam was the great female that Cherry Hill Farm consigned to the 1946 National Polled Shorthorn Congress where she topped the sale. His dam is the best cow in our herd. He has a wonderful smooth head, carries lots of weight for age and is a perfect dark roan in color. He is one of the top young bulls to sell this year. His full brother is in service in Pine Grove Ranch, Shingletown, California.

L S F Princess Royal 156th—Here is perfect foundation material. We left Oakwood take their pick out of a group of heifers and they chose this great female. She has everything one desires in a brood-cow. She is deep, thick, low-down and wide-out. To insure her ability as a brood cow she comes from our famous Princess Royal family that we rate as one of the best. She sells bred to Cherry Hill Royal Highness. The calf she carries should be most outstanding.

If you need a summer yearling show heifer this little lady will do. She is from the famous Princess Royal family that has won more fame than any other family in our herd. Her half-sisters have been sale champions, state fair champions and sale toppers. She has the best of breeding. Come to our farm and see her dam and other half sisters now in the herd.

Montezuma x is shown here with two of his calves produced at Lehnert Stock Farm. His calves have been shipped into twenty-five different states and two provinces of Canada. One of his sons set a new record high selling figure for the Polled Shorthorn Congress. Four great calves by him are selling in this sale. See Lots 77, 78, 79 and 80.

Circleview Rosewood 3rd x2781-053—A rich roan heifer of show ring promise. She is deep bodied, thick, low set and wide and she is bred to be that way. She is the first calf by Circleview Leader x, the bull that stood second in class to the grand champion at the 1953 International and a bull that looks like a prospect for top honors at 1954 shows. Her dam is a dark roan, a heavy milker and a cow of great depth and thickness. Her second dam is a granddaughter of the Perth supreme champion, Calrossie Prince Peter. The third dam is a daughter of the 1939 International grand champion Oakwood Merry King and is one of the better brood cows in the Oakwood herd today. Vaccinated for Bang's.

RWR Lavender 4th x2728-469—We bought her in the Ohio State Sale last fall as a replacement female because she had all of the qualifications for a good brood cow. We had planned to exhibit this beautiful roan heifer at 1954 shows but we feel she will be the kind that will help make the Blood Bank Sale a real success. Being a double granddaughter of Oakwood Hallmark, she represents very strong Oakwood breeding and should produce as well as her ancestors. She was bred February 20 to HC Defender Max, the greatest son of Maxwalton Defender and considered by many to be one of the best breeding bulls ever produced at Maxwalton Farms.

Oakwood Contender x—A proven sire of very good calves. He was a member of the first prize two and three-bull groups at the 1952 International. One of his full brothers is Oakwood Imperial Chief x, stock bull at Redman Farms, Zanesville, Ohio, whose get is represented by eight choice heifers listed in this catalog. Another full brother is Oakwood Consideration x, reserve champion and top selling bull at the 1954 Polled Shorthorn Congress. We have one crop of very good calves on the ground by Oakwood Contender x and all of our cows are remated to him. Since our herd is small and we are keeping all of his heifer calves, we are able to offer him in this sale.

Redman's Augusta 17th x2781-337—She could be the best daughter of Oakwood Imperial Chief we have ever sold. She has a grand head, a deep body and a smooth covering. She looks like a top brood cow should look as a heifer. This Augusta family has been producing this kind for us. The pedigree of her dam is studded with the names of bulls that have made Shorthorn history. She can make history for Polled Shorthorns.

Oakwood Imperial Chief x, a son of Commander-in-Chief x that is siring outstanding calves for Redman Farms, Zanesville, Ohio. He is a full brother to Lot 93 and is the sire of Lots 94, 95, 96 and 97 in this sale.

Terms . . . Guarantee . . . General Information

General Information—The Oakwood Customers' Sale will be held at Oakwood Stock Farm owned by C. B. Teegardin & Sons, Ashville, Ohio, on Monday, May 24, 1954.

This sale will start at approximately 4 p.m., Eastern Standard Time, immediately following the close of the Fifteenth Annual Oakwood Sale.

Oakwood Farm is located 16 miles from the city of Columbus, Ohio. To reach the farm from Columbus, take U.S. highway No. 23 south ten miles to Oakwood Stock Farm sign at crossroad. Turn left and go through Duvall, Ohio, six miles east to Madison Township School, turn right to farm—one-half mile.

We suggest that you arrive the day ahead of the sale so that you will have an opportunity to make a careful inspection of the 96 excellent individuals that are to be sold in the two auction sales.

The auctioneers will be Paul Good, C. D. Swaffar and H. W. Walker.

Those unable to be present and who desire to do so may send buying orders to any of the following men, all of whom will be in attendance: Hal Longley, The Shorthorn World, Aurora, Illinois; Don Longley, The Shorthorn World, Aurora, Illinois; Ned W. Place, The Shorthorn World, Wapakoneta, Ohio; Allan C. Atlason, Secretary, American Shorthorn Breeders' Assn., 7 Dexter Park Avenue, Union Stock Yards, Chicago 9, Illinois; Dale Baird, The Drovers Journal, Chicago, Illinois C. K. Tomson, c/o Harding & Harding, Geneva, Illinois; Claude Tipton, Indiana Farmers Guide, Troy, Ohio.

Guarantee—All cattle in the Oakwood Customers' Sale will be sold under the standard guarantee endorsed by the American Shorthorn Breeders' Association. Cer-

tificates of registry and transfer will be furnished with each lot sold. Shipment will be made as soon as possible after the close of the sale without trouble to the purchasers, but cattle will be at buyer's risk as soon as bid off. Every precaution will be taken to see that animals arrive in sound and healthy condition.

Announcements—All announcements made from the auction block on sale day will be considered final and will take precedence over matter printed in this catalog.

Terms—The terms of this sale are cash. All settlements must be made with the clerk of the sale immediately at the conclusion of the auction and before the animals are removed.

Health—Nearly all animals in this sale have been calthood vaccinated for Bang's Disease. As a further precaution, all animals have been tested for both Tuberculosis and Bang's Disease within 30 days of the date of this sale. A 60 day tuberculin retest will be allowed and health certificates will be provided that will comply with the regulations existing in any state.

Liability—The above guarantee and terms shall constitute a contract between the buyer and the consignor of each lot. Neither the clerk of the sale, nor the individual designated as sale manager, assumes any liability, legal or otherwise. Where footnotes appear in this catalog they were furnished by the owners. C. B. Teegardin & Sons and the consignors to this sale will make every effort to provide for the comfort and safety of sale day guests but assume no liability for accidents of any nature.

A few more famous sires whose blood is represented in the Oakwood Customers' Sale.

CH Royal Highness x, one of the greatest sons of Edellyn Royal Leader 2nd and one of the most successful sires ever produced at Cherry Hill Farms. He is now owned by Lehnert Stock Farm, Galloway, Ohio. Lot 78 in this sale is bred to him.

Oakwood Grandeur x, a son of Imp. Gosshall Ximenes that was used with exceptional success by Ira Fisher & Sons, Ashville, Ohio, consignors to this sale. Lot 86 is one of his daughters.

Oakwood Determination x, the \$10,500 son of Commander-in-Chief x, owned jointly by M. E. Beman & Son, Thurman, Ohio, and C. B. Tee-gardin & Sons, Ashville, Ohio. Lot 83, consigned by Beman & Son, is bred to him.

Oakwood Grand Duke x, the \$5,000 son of Imp. Gosshall Ximenes. His record in the Janesway Herd at Chillicothe, Ohio, stamps him as one of the greatest sires ever produced at Oakwood. Robert M. Janes is consigning a beautiful heifer sired by one of his best sons. She is Lot 74 in this catalog.

The Most Important Three Days Of The Year For Polled Shorthorn Breeders

Plan to arrive on Sunday, May 23rd, for a leisurely inspection of the Oakwood Herd and the 96 head of superb Polled Shorthorns that will sell in the Oakwood Blood Bank Sales. All who arrive on Sunday are invited to stay for the barbecue in the evening. You are assured of good food and an opportunity to get acquainted with Polled Shorthorn breeders from all parts of the North American continent.

The two Oakwood Blood Bank Sales will be held on Monday, May 24th . . . the Oakwood Sale starting at 12:00 o'clock noon and the Oakwood Customers' Sale at 4:00 p.m. Eastern Standard Time. Lunch will be served at

Oakwood Stock Farm on sale day by the ladies of the church.

On Tuesday, May 25th, you should plan to attend the Annual Spring Sale of the Ohio Polled Shorthorn Breeders' Association where 45 top cattle will be offered. This sale will be held at the Fair Grounds in Circleville, Ohio, only twenty miles from Oakwood Stock Farm. C. H. Bowen, Willshire, Ohio, is Secretary of this association and will be glad to supply catalogs and full information.

Let us make hotel reservations for you covering your entire stay. Tell us how many in your party and whether you prefer a motor court or hotel. Write Paul W. Tee-gardin, Ashville, Ohio.

MEMO

It is easy to make mistakes in the founding of a new herd or even in the effort to improve one already established. We can think of several we have made ourselves. The pitfalls are far fewer, however, if advantage is taken of the experience of others who have had a fair measure of success. To those of you who may be contemplating the purchase of a new herd bull or a few foundation females, we suggest, first of all, that you visit the farm of some man who has previously made purchases from the same source which you contemplate patronizing. Study the calves. This is the acid test. You'll find Oakwood bred Polled Shorthorns just around the corner from most anywhere in this country. We do not hesitate to urge any prospective buyer to visit these farms. We are certain it will cause a desire to own some of the good animals in this sale.

There's a certain quality about
Oakwood Polled Shorthorns which
lifts them right out of the ordinary
